**This is my Library!**  
**The North Smithfield Public Library**

**This is the entrance to my library.**

**The library is a place where I can look at books. It also has magazines, movies, computers and things to do.**

**Inside the library, people read quietly. I will try to use my inside voice when I talk in the library.**

**This is the inside of my library.**

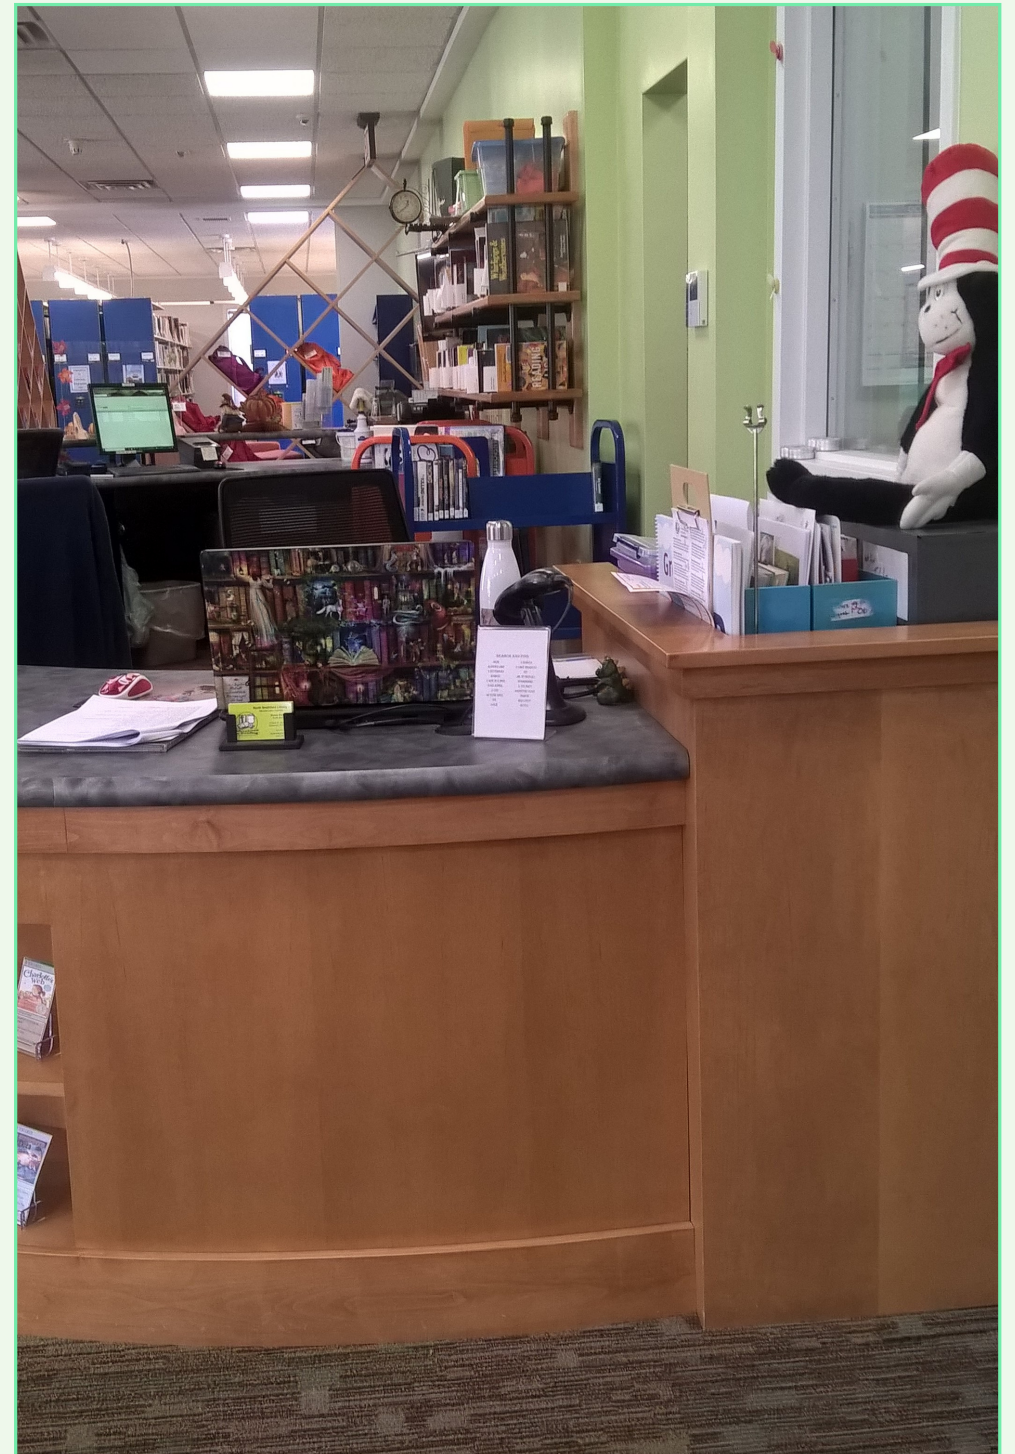

**There are places to sit, book shelves to explore, people to meet**

**I can talk to the  
librarian. She can  
help me find books.**

**I can visit the Youth  
Services Librarian at her  
desk here.**

**The Children's room can be found by going around the desks, past the mural. There I can find books, computers, places to sit and read, even toys and games to play with. The library's bathrooms are also there, if I need them.**

**Kid's Room**

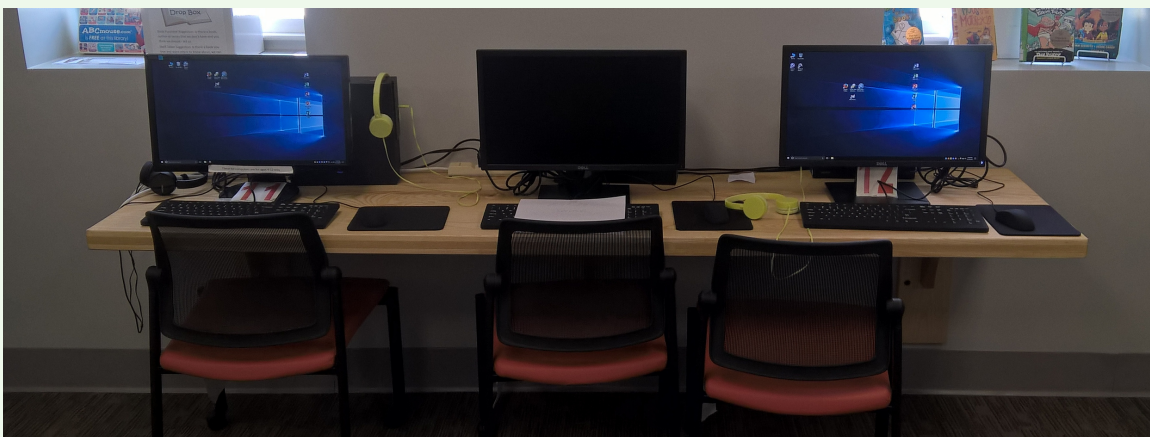

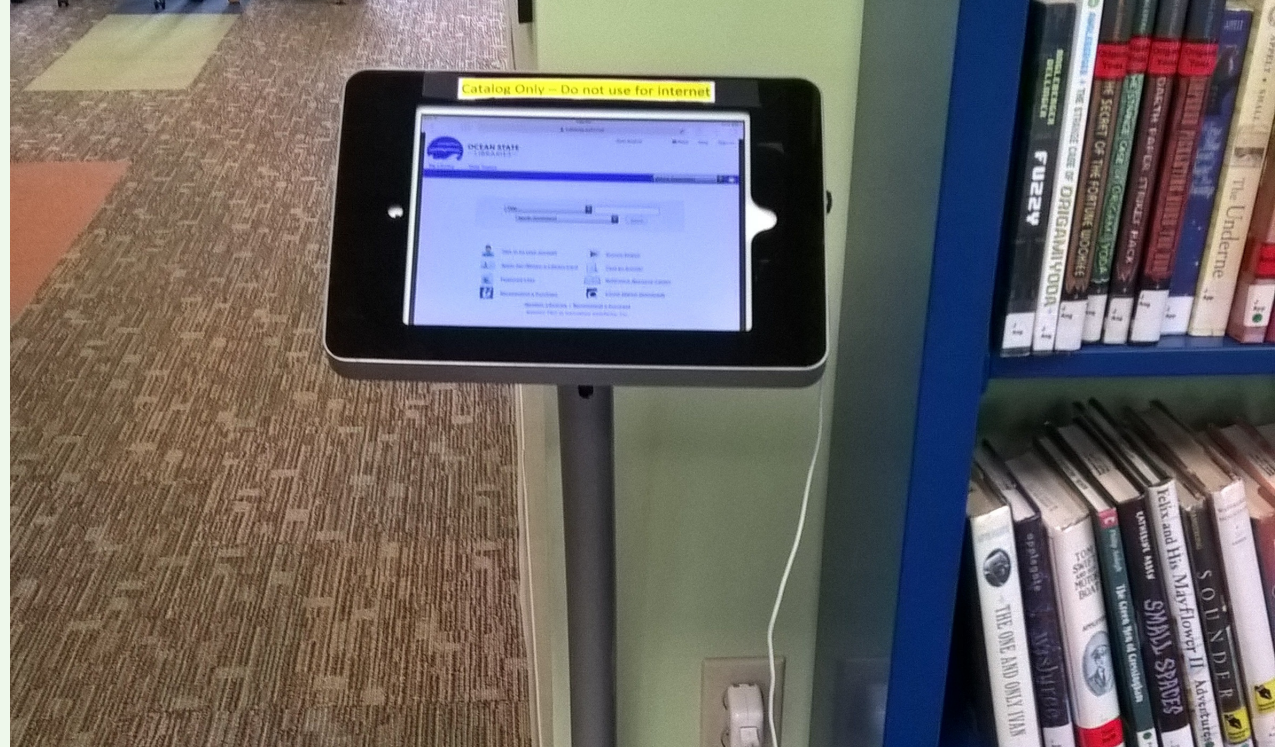

**There are many things to do at the library.**

**Use a computer, go to an event, sometimes events are held outdoors.**

**To find a book , I can type its name on the computer, and the computer will tell me where to find it.**

**I can also look on the shelves for a book.**

**When I find a book I want, I take it to the front desk. A librarian there will help me borrow it.**

**I will need to show my library card to check out the book.**

**I get to take the book home for 3 weeks.  
Then I will bring it back to the library so other kids can read it too.**
