

# Meet Libby

1

## Installation

Visit your app store and download the Libby app. The app is free to download

2

## Find your library & sign in

Open the app and search for **Ocean State Libraries Ezone: North Smithfield Library**. Sign in with your library card and pin

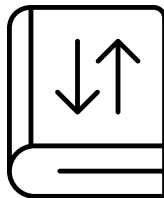

3

## Browse

Browse our selection of e-books and audio books. We are adding new titles to our collection all the time. Looking for something specific use the magnifying glass to search the collection.

4

## Borrowing

When you find a title that you would like to check out tap "Borrow." If prompted, sign in with your library card

5

## Bookshelf

Borrowed title will appear on your shelf and download automatically.
